

Important words –

autumn – One of the four seasons. It is the change from summer into winter.

season – A part of the year when the weather changes.

autumn colours – For example red, brown, yellow, orange.

change – To make or become different.

conker – The hard shiny, dark brown nut of a horse chestnut tree.

pine cone – The woody fruit of a pine tree.

acorn – The oval shaped nut of an oak tree.

Autumn -

What changes happen during Autumn?

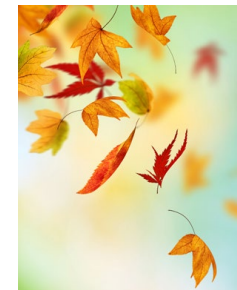

- The leaves change colour and fall from the trees.
- The weather gets colder.
- The nights get longer and the days get shorter.

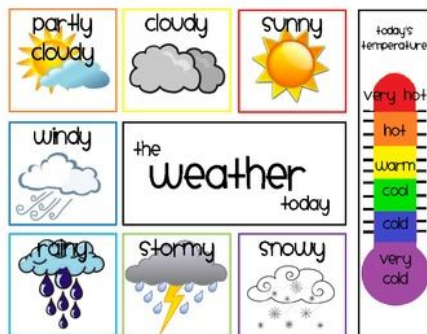

A poem to learn -

Autumn winds

Autumn winds begin to
blow.
Coloured leaves fall fast
and slow.
Whirling, twirling all
around.
Until at last they touch the
ground.

This is a weather chart.

What is the weather like
in Autumn?

Things to do at home

Autumn is a great time to get crafting. You could...

- Make a leaf animal.
- Create an autumn tree.
- Collect some leaves and use them for printing.
