

Talk for Writing

Burnley Brow Community School

2022-2023

Burnley Brow is an accredited Talk for Writing school and is able to offer official training developed and delivered by our highly-experienced senior leaders and accredited facilitators. Our practical, hands-on training will develop understanding of the key principles of Talk for Writing and the '3 Is', inspiring and empowering delegates to take the first step in their Talk for Writing journey.

This year, we will be offering an Introduction to Talk for Writing with a 'Taster' session for those who are just beginning their Talk for Writing journey. In 2023 we will be in a position to offer more personalised projects for schools to develop Talk for Writing and sustain writing improvement in their own school.
