Brazilian Drumming

Year 5 took part in a Brazilian drumming session as an introduction to their unit of work learning about Brazil. The children had the opportunity to play a range of traditional instruments and learn a song through call and response. They also learnt about pitch and dynamics and practised a song as a whole class.

Hamzah in 5G said – I really enjoyed the drumming, my favourite part was playing lots of different instruments.

Mariyah in 5G said – I liked playing the different drums and learning a new song as a class.

Castleshaw

Year 5 visited Castleshaw last week and took part in lots of team building activities. They built dens, went on a picture hunt around the building, fed the goats and took part in many more team building exercises.

Irfan in 5G said, "I really enjoyed the day and had so much fun. My favourite part was the picture hunt around the Castleshaw building!"

Zainab in 5G said, "I loved making dens with my friends and learning how to work together as a team!"

Parent's Evening

Tues 14th & Wed 15th November
3.30-5.00

Parents' evenings are very important. They give parents and carers an opportunity to discuss their child's strengths and weaknesses, share concerns, and take an active part in their education.

Attendance at parents' evenings gives an important message to your child and the school that you are interested in their time spent at school.

If you are unable to attend Parents' Evening make sure you contact the school to make an alternative appointment to discuss your child's progress.

Bolton Museum

Year 4 visited Bolton Museum as part of their history learning.

"We learned that when people died, they took all their organs out and they were mummified. We also saw some real mummies, one was of a three year old girl.

We saw a real piranha and lots of different types of fish.

I enjoyed it as I learnt lots of interesting facts."
