Dear Parents/ Carers,

During the this half term the children in Year 2 are learning about food during their Design Technology lessons. The children will be designing and making healthy sandwiches to have at our Christmas party. As part of this topic, the children will be tasting a variety of food.

They will taste different types of bread, tuna, egg, cheese, lettuce, carrot, tomato, sweetcorn and cucumber. All food will be Halal and healthy.

If your child has any allergies or food intolerances that the school are not aware of, then please inform the class teacher by contacting the school office as soon as possible.
