8th May 2025

Dear Parents/ Carers

It is important that children in Nursery develop a love of reading as this will help them to become confident capable readers. To help us with this we would like to invite you to come into school every **Monday morning** to read with your child.

You will be able to come in when you bring your child to school at 8.40am and will be able to stay until 8.50am. You will be asked to mark on a card the pages that your child has read. Please note that parents who arrive with their child after 8.45am will not be able to come in and read as there won't be enough time for this.

Reading is the most important learning for your child, as it underpins everything they do. It is important that you spend time reading with your child every day in order to develop their confidence and ability. We look forward to see you every **Monday morning** when you come and read with your child.

Please note due to limited space we can only have one adult per child attending the reading morning.

Thank you for your continued support.

Miss Nield
Assistant Headteacher
