30th April 2025

Dear Parents of Year 4 pupils,

After the holidays, all Year 4 pupils will be taking part in the **statutory multiplication check**. This test assesses their ability to rapidly recall times tables facts up to 12×12 .

Attached is a **times tables map** showing which multiplication facts your child knows confidently and which ones they still need to practice.

To help your child feel confident and prepared, we encourage **regular practice** of the times tables they find challenging.

Play quick fire questions with your child, chant the tables with them; the more they say them aloud, the sooner they are committed to memory.

Two great websites to use alongside your practise with your child are:

- **TT Rockstars**
- **Hit the Button**

Even just a few minutes a day can make a big difference.

Thank you for your continued support.

Miss O'Hara and Mrs Ford
Maths Leads
