

From all the staff at Burnley Brow

You have got all you need — now go and shine! ★

You have worked so hard and should be really proud of everything you have achieved. This weekend, take some time to relax, breathe, and do things you enjoy. Try not to worry — you've got this! Go into next week confident and calm, knowing you are ready. Believe in yourselves, just like we believe in you.

Good luck, Year 6!
