

School Highlights

Art Themed Days

The children focused on colour mixing beginning with primary colours in Nursery, secondary colours in Reception, different hues in Year 1 and then creating different tints, shades and using complimentary colours in the other year groups. They also had an artist focus for their art day ranging from Van Gogh to Andy Warhol. The children had a fabulous time investigating and creating.

Harvest

We had another very successful harvest assembly with lots of donations from parents. David sent us this letter.

To all at Burnley Brow Primary School

I just wanted to say a BIG 'Thank You' for your generous harvest donations given to the food bank at Chadderton Community Church. At this time of the year these gifts provide a real boost to our storehouse as we continue to support people and families in the local area.

Every Blessing, David

Pink Chai Day

We held our first Pink Chai day to raise awareness of breast cancer among the south Asian community. The children came in pink or blue clothes and the parents attend an event. We raised over £250!

Strictly Singing

The children of Burnley Brow wowed everyone with their vocal talents in our annual Strictly Singing event. Every class was amazing – well done to all of the children and their teachers for making this event one of the best!

Anti-Bullying Performance

The children watched 'The Road to Respect', where they learnt about different types of bullying, i.e. verbal, cyber, physical and emotional. The children in 6F also took part in a workshop.

Bikeability

Some children in Year 5 have been learning how to ride a bike. Next week, those who can already ride will learn how to ride safely on the roads.

Important Reminders

The School Day

The school day starts at 8.50 am and finishes at 3.20 pm. The gates are opened at 8.40 to allow children to get to their classrooms. Learning is planned in class from 8.50 and if your child is late they will miss this learning time. It is also uncomfortable for children to come in late and this can affect their confidence at the start of their day.

Year 1 parents are encouraged to leave their children at the gate. If your child needs extra support please let us know.

Uniform

Please make sure your child has the correct uniform for school and for PE. Full details are available on the school website. All children **MUST** have a pair of black pumps in school with their name inside for indoor PE.

School Lunch

Please make sure you have ordered school lunch before 9:30 each morning. We are still finding that lunches have not been ordered. This causes the children to become upset. If you need any help please contact the office.

Parents

Sewing Class

These parents completed a 20 week sewing course. They made the beautiful outfits they are wearing.

Coffee Mornings

We have had coffee mornings about how to be safe in the darker nights and healthy options/alternatives.
