

## A message from my new teachers

Hi Year 2, I'm so excited to be teaching you again in September! We already know each other well, and I can't wait to build on everything we've learned together so far. Our classroom will be a place where we work hard, support each other, and enjoy learning new and exciting things. I know how brilliant you all are, and I'll be here to help you do your very best—even when things feel tricky. Have a fantastic summer break, and I'll see you in September!

## Information for Parents 2025-2026

### General Information:

- **Your child's class is 20H**
- In the first few weeks, your child will sit in a team with 3 or 4 other children. Teams will change each half term so children can learn how to work cooperatively with all members of the class.
- Lunchtime will be at 11.45am until 12:45pm. In the afternoon, we will have a playtime at 1:45pm.
- In Year 2, children will be offered a piece of fruit to eat each day. Children can bring a bottle containing water to school each day.
- Children in 20H will have two sessions of PE each week. For **indoor PE**, children will need to wear a t-shirt in their house colour with the school logo, black shorts or leggings and black pumps with brown soles. For **outdoor PE**, children will need to wear a t-shirt in their house colour with the school logo, black jogging bottoms or shorts and trainers. Children can also wear a purple zipped hoody with the school logo or their school jumper.
- On PE days, your child will need to come into school wearing their PE kit. Your child's black pumps need to be kept in school in a named pump bag on their peg. You will be notified at the start of every half term about which day they will have PE. This information can also be found on the school website.
- In Year 2, we have a café on a Friday which children can bring 50p for.

## How can I help my child to be successful at school?

Each half term you will receive a 'Knowledge Organiser' for an area of learning. Please work through this with your child – especially learning the key facts and vocabulary.

In Year 2, we will be working on learning and recalling the 5, 10, 2, 4 and 8 times tables. Children are also expected to know the division facts that are related to each of these times tables. Please ask your child multiplication and division facts out of order. Your child needs to be able to 'instantly' recall answers without working them out.

You can also support your child's learning by helping them to prepare for their weekly Grand Spell and Power Planets tests.

The age-appropriate phonics phase for the start of Year 2 is to recap the end of phase 5 before starting phase 6. A list of common exception words for your child's year group will be given to you, please help your child to learn to spell these.

The age-appropriate reading book band for the start of Year 2 is Turquoise (Stage 7). By the end of the year, your child should be on, or beyond, gold book band (Stage 9). Reading, understanding and using many words, is the best skill your child can learn to help them succeed in life.

## What else can I do at home to help my child in their learning?

- Read! Some great books to borrow from the library are books by the authors Julia Donaldson, Roald Dahl, Jill Tomlinson and Jill Murphy.
- Help your child to learn the Year 2 spellings. Please practise these with your child and let us know when they have learnt them all!
- In addition, please begin learning the first half term's Grand Spell words.
- Enjoy spending the summer together whilst playing outside, visiting your local library, going for a walk in the park or visit some other places of interest. We would love to hear about where you have been.

Please encourage your child to use the resources included with this leaflet and support them in getting ready for the next school year.
