11th May 2026

Dear Parents,

The Year 2 children have been given the chance to spend a day at the Castleshaw Centre in Delph, Saddleworth.

This is a fantastic opportunity for your child to participate in a range of exciting, educational outdoor pursuits, arranged by a team of experienced and qualified staff. The visits offer practical experiences of the outdoors and wonderful team building opportunities where children will work alongside other Year 2 children from Medlock Valley Primary School as part of our school linking project.

The trip is on Monday 22nd June and falls within normal school hours. The coach will leave school at 9.20am, it is important your child is in school on time, children who are not in school on time will not be able to attend. The coach will return to school for 3.15pm and you will be able to collect your children from the playground as normal.

On the day of the trip, if your child has a school dinner, you will need to order them a packed lunch using the online system. Children who bring a lunch from home will need to bring their own packed lunch in a throwaway bag.

If your child has an inhaler, please make sure they have it with them on the day they are going to Castleshaw. Additionally, make sure the inhaler has your child's name clearly marked on it and the inhaler is in date.

Teachers from Burnley Brow will accompany the children and stay with them at all times. We are looking for some parent volunteers, if you are available on this day and interested in being a supportive adult on this trip, please let Mrs Ellis-Radahd or the office know. Please note if you are chosen to accompany the trip, you may not be placed with your own child's group.

Please complete the attached forms and return to school as soon as possible. The consent form will secure a place for your child. If you have any questions, please come into school to see us.

Yours sincerely,

Mrs. Ellis-Radahd
Year 2 Teacher.
