22nd June 2026

Dear Parent,

As we experience warmer weather, we want to ensure that all of our children are safe, comfortable and are able to concentrate during the school day. We have, however, noticed that some children are choosing to keep their hoodies, cardigans and jumpers on, in the classrooms and during PE sessions, even when it is very hot.

Please could you speak to your children about removing layers of clothing such as vests, hoodies, cardigans and jumpers during the hot weather or do not send your child into school wearing them on hot days.

A list of school uniform, including items that are suitable for hot weather can be found on the school website e.g. summer uniform dresses and grey school shorts.

We would also encourage you to make sure that your children come to school with a sun hat and apply sun cream in the morning. Water is available in the classrooms but your child is welcome to bring a water bottle into school.

Thank you for your continued support,

Mrs N. Morgan
