

October 2026

Dear Parent / Guardian

Great news! Your child has been offered the opportunity to take part in Bikeability Cycle Training at Burnley Brow Community School from Monday 9th November – Friday 13th November 2026.

Your child needs to be able to ride a bike, balance and pedal independently, without stabilisers and be able to set off and control their bike with brakes.

We need your consent for your child to participate in Bikeability Level 1 + 2 Cycle Training.
Failure to complete the online form will unfortunately result in your child being unable to take part.

Please use the QR code below to register your child for the Level 1 + 2 Cycle Training. This must be completed by Monday 26th October 2026

If your child wishes to bring their own bike, it must be road worthy. If so, pupils will need to bring a roadworthy bike on the days stated and, if available, a helmet that fits securely. A roadworthy bike has:

- Inflated tyres, as hard as an apple.
- Two working brakes
- A well-oiled chain
- A saddle and handlebars which are fixed on tight.

For tips on how to check your bike is roadworthy, visit <https://bikeability.org.uk/bikeability-training/get-ready/>

If you are still unsure, please seek the advice of a professional mechanic in advance of Bikeability cycle training.
